Hi Dennis,

We also wanted to make sure that there is no conflict regarding the location of one of welcome reception during the Council Session, which will be held at the Chickasaw Ball Park, where the Administrator will host a welcoming reception to network with the Ministers, delegations, CEC Secretariat, Joint Public Advisory Committee, U.S. National and Government Advisory Committees, and registered members of the public.

Administrator Pruitt used to co-own a team that played in the park, over 8 years ago. He stopped co-ownership once he became Attorney general. The team is now different (as well as ownership) and EPA is not spending any money on this activity. Can you please confirm that there is not conflict with using this location?

Thank you and best regards,

Nadtya

Nadtya—you may also want to have Dennis run the ballpark as we discussed.

Thanks.
